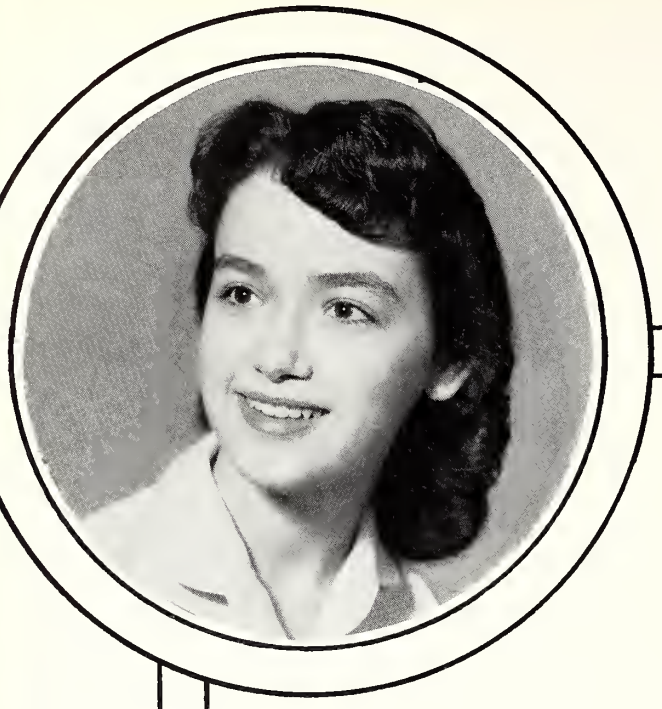
Dedication

In appreciation for the various contributions that she has made to the student body and the school, and for her helpfulness, cheerfulness, and friendly interest, the staff affectionately dedicates to MISS DELORES BRUMFIELD this 1959 edition of the *Co-Lin Trillium.*



Foreword

We, the Annuál Staff, are proud to present to your our 1959 CO-LIN TRILLIUM. Ths book has caught glimpses here and there, so that in years to come the activities of this school year at Copiah-Lincoln Junior College will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '59, we shall be content, knowing that we have done the thing we were called upon to do.

COPIAH-LINCOLN JUNIOR COLLEGE

WESSON, MISSISSIPPI

1959

F. M. FORTENBERRY
President

To the Sophomore Class of 1959:

Congratulations to the members of the Sophomore Class of 1959, and especially to the Co-Lin Trillium Staff! You have labored long and hard to produce this yearbook, and to each of you for your time and effort we can only say "Thank you" and hope that the satisfaction of a job well done will be ample reward for your endeavors.

This publication through the many pictures and snapshots contained in it depicts the activities of the campus better than it could be done in any other way. This book will be glanced through many times after you leave Copiah-Lincoln, and we feel sure it will recall many memories of the activities which you participated in and the fun and fellowship which you enjoyed with your classmates during your years here.

We should like to challenge each of you to continue to develop the fine qualities of leadership which you have exemplified during your years at Copiah-Lincoln. It is only as you continue to develop that we can properly evaluate our efforts in the over-all school program. Each of you owe much to this junior college area and the taxpayers who have made these years at Copiah-Lincoln possible. Only through intelligent leadership and dedicated service to your county and state can you ever repay what has been done for you.

May you always remember that your success is Copiah-Lincoln's success, and by the same token your failure is our failure. As you leave here to go on to senior college or to work, as the case may be, we want you to know that Copiah-Lincoln will always be interested in you and your best welfare, and at all times will stand ready and willing to continue to serve you in any way that we can.

Very sincerely,

F. M. Fortenberry

Hall of Fame

Desiring to acknowledge character and service of the highest quality, the Co-Lin Trillium presents the three graduating sophomores of the following pages as the sixth annual selections for the Hall of Fame of Copiah-Lincoln.

Each of these was nominated in open nomination, approved by a screening committee of his fellow students, and recommended by a fauclty committee.

Only college sophomores are eligible for this honor. The bases for selection are fineness of character, superior scholarship, worthy leadership, and contribution to the betterment of Copiah-Lincoln.

"Fame is the spur that the clear
spirit doth raise—
To scorn delights, and live laborious
days."

Athletics

Through the years Copiah-Lincoln has had an outstanding athletic program. The trophy case in the Administration Building is filled with numerous awards for championship teams in football, basketball, tennis, baseball, and track.

All Copiah-Lincoln students join together in expressing their gratitude for an improved athletic program in 1958 and 1959. This improvement has been manifested on the Campus by the addition of a very attractive, modern gymnasium.

The Co-Lin Chorus is designed for all those college students who enjoy singing. It has for its primary aim the promotion of a greater interest in music, and the development, on the part of each participant, in musical culture.

The Chorus is involved in various activities each year. Among these are the annual Christmas concert, which is presented in collaboration with the SCA; the spring operetta; and a program at the Junior College Choral Festival. The Christmas cantata for 1958 was "Song of the Holy Night" by Roger Wilson. The operetta was "Fortune Teller" with music by Victor Herbert.

Y-Teens

Y-Teens is the National Young Women's Christian Association working with high school girls. The blue triangle—symbolizing purity of "body, mind, and spirit"—has been a great challenge to high school girls through the years. The Co-Lin Y-Teen Club has made a fine contribution on the campus, community, and state.

The purpose of the Hi-Y is to help high school boys explore and achieve for themselves and others those attitudes and habits which build high standards of Christian character and Christian citizenship.

PRESIDENT

Dear Reader:

You have just turned through the pages of the 1959 Co-Lin Trillium. Now you are preparing to look at the advertisement division.

The firms who have contributed to this section have generously cooperated with the Staff. Most of these business men consider these advertisements as contributions. The Staff believes that these contributions can become advertisements only if you patronize these businesses.

We would appreciate your looking at each advertisement very carefully.

Please notice that the Business Staff has prepared this section with particular care. We feel that, in so doing, we have improved our annual.

We hope that you are enjoying this year's annual, and that it is worth treasuring for the future.

Very truly yours,

These businesses' have advertised in the Co-Lin TRILLIUM for a period of over thirty years. Their names appeared in the 1929 CO-LIN, as the present yearbook, the Co-Lin TRILLIUM, was known at that time. They are also advertising in this, the 1959 annual.

We sincerely appreciate the support given the Co-Lin TRILLIUM by these firms and the others who have advertised in years past.
